600 x 2160 mm
(23 5/8" x 85")

Bleed: 10 mm

Please make sure to use the yellow image box for your graphic, it contains the bleed needed for an exact fit.

Notice: If the banner uses snap extrusions on the top and bottom, the 3/4″ (19 mm) strip areas from the top and bottom edges of the final trimmed artwork won’t be shown because these areas will be covered by the top and bottom snap extrusions.
