Notice: The 0.4″ (10 mm) strip area from the top edge of the final trimmed artwork won't be shown, because this area will be covered by the top profile. Please keep your text below the red line shown above.

Roll-It-Up Dual

850 x 2070 mm (33 1/2″ x 81 1/2″)

Document size: 850 x 2320 mm
Bleed: 10 mm

Please use this yellow image box for your artwork.

Notice:
It's necessary to have an **additional 250 mm (10″) of graphic** on the bottom to mount to the leader sheet. Please be aware that most of this extra graphic will go into the cassette and will not show.

2070 mm (graphic height)

additional 250 mm height of graphic
will go into the cassette
