MAXISTAND

MaxiStand is perfect for high traffic areas. You'll love the sturdy aluminum frame and solid metal base plate.

Magnetic strips hold your graphics firmly in place to withstand creasing, tearing and flapping, yet make it simple to change your message. Graphic panels roll for convenient replacement shipping. The frame comes fully assembled, just attach the base plate.

The standard frame is clear anodized, or black painted. The standard base plate is painted silver grey or black. Other colors are available upon request. MaxiStand is double-sided unless hung on the wall. Ask us about accessories!
