

Notice: If the banner uses snap extrusion on the top, please keep your text below the red line shown above. The 3/4" (19 mm) strip area from the top edge of the final trimmed artwork won't be shown because this area will be covered by the snap extrusion.

Roll-It-Up 4

1000 x 2300 mm (39 3/8" x 90 9/16")

Bleed:

Top: 10 mm

Sides: 10 mm

Bottom: 25 mm (for cassette)

Please make sure to use the **yellow** image box for your graphic, it contains the bleed needed for an exact fit to the cassette.

10" (250 mm) extra space for Cassette Loader:
25 mm bleed + 225 mm blank space
